## SUMMER CAMP EDUCATOR

**Job Title:** Summer Camp Educator

**Reports To:** Camp Directors

**Primary Location:** Leslie Science and Nature Center, [1831 Traver Road Ann Arbor, Michigan 48105](#)

### Terms of Employment

Summer Camp Educators must be available to work Monday through Friday (including some early mornings and early evenings), June 14, 2021 – September 3, 2021, and are required to attend a week-long training from June 6-11, 2021. First-year Summer Camp Educators will be paid an hourly rate of \$10/hour. Returning Summer Camp Educators will be paid an hourly rate of \$11/hour. Summer Camp Educators are eligible for one, unpaid week of vacation throughout the summer, if desired, pending approval by the Camp Director. Summer Camp Educators may be required to work overtime during some weeks of camp.

### Essential Duties

- Participate in a full week of paid staff training from Sunday, June 6-Friday, June 11, 2021.
- Plan and facilitate 12 weeks of nature and science-themed camps targeted for youth ages 4-13, including some off-site trips.
- Provide high quality customer service to campers, parents, and community partners.
- Care for, maintain, and develop high-quality program supplies and equipment; Maintain cleanliness and safety of all program and office spaces.
- Ensure safety of site, activities, and participants; report any accidents, injuries, and safety concerns as required by camp licensing guidelines. Deliver first-aid and emergency care as necessary according to certification.
- Effectively communicate and coordinate with all members of the UIL camp team to ensure overall success of programming; Complete necessary camp paperwork.
- Provide direction and coaching to assigned high school volunteers.
- Work in all weather conditions.
- Other duties as assigned.

### Required Qualifications

- Must be at least 18 years of age.
- Current certification or ability to be certified in Adult and Child CPR/First Aid (A one-day CPR/First Aid training is provided at no cost to staff the first week of June—check website for details. If staff is unable to attend provided CPR/First Aid training, staff member must obtain the credentials at their own cost, prior to the first day of camp.)

- Able to receive a clean [criminal background check](#), [central registry clearance](#), and three positive references (from non-relatives) prior to being hired.
- A strong and active interest in learning and personal growth, including the ability to conduct self-assessment and to give and receive feedback with colleagues.
- One or more of the following:
  - Enthusiasm for sports and physical activity, especially leading others in sporting activities
  - Ability to play a musical instrument(s) and willingness to play with/in front of kids; Willingness to learn and sing songs in a group.
  - Certified as a Lifeguard, Early Childhood Educator, or Interpretive Guide (through NAI).
  - Knowledge of Michigan's [natural history](#) **and/or** [STEM content](#) knowledge of physics, aviation, technology, engineering, or other applicable science
- Ability and willingness to work outside in all weather conditions, walk long distances and on uneven terrain, and lift at least 50 pounds.
- Ability and willingness to work in an environment which includes exposure to environmental allergens including, but not limited to, dust, mold, pollen, live birds, insects, and other animals, and unvaccinated individuals.
- Ability and willingness to effectively communicate with diverse audiences.
- Positive and enthusiastic attitude.
- Ability and willingness to follow up-to-date CDC guidelines regarding COVID-19, including but not limited to wearing a mask and maintaining appropriate physical distance from campers and coworkers.

**Desired Qualifications**

*The more of these qualifications you possess, the stronger your application will be, but lack thereof does not rule you out of a position as long as you meet the above stated requirements.*

- Previous experience working with youth.
- Experience and ability to work well independently and as part of a team.
- Bilingual in English and Japanese, Korean, or Mandarin
- Demonstrated public speaking skills and ability to communicate with enthusiasm.
- Computer literacy on a Microsoft-based platform.
- Strong organizational skills.
- Bachelor's degree or two years of experience in camps, education, environmental education, interpretation, recreation or a related field.

**How to Apply:**

Only online applications are accepted: <https://www.lesliesnc.org/camps/camp-jobs> Applications are reviewed on a rolling basis with preference given to those who apply early. You will need the following materials to complete your application:

- Your preference for which small group interview day you would prefer to attend.
- Contact information for three references that are persons unrelated to the applicant. (including phone and email)
- A current resume. (PDF only)
- In replacement of a cover letter, please provide answers to these short-answer questions (300 words or less per answer, PDF only)

1. What inspired you to apply for a position as a Unity in Learning Summer Camp Educator? What would you hope to learn or achieve in this role?
  2. Summer Camp Educators are responsible not just for leading camp, but also for planning educational camp activities, completing paperwork, cleaning camp buildings and caring for materials. In addition, Summer Camp Educators work with and are responsible for the safety of all campers and volunteers, ages 4-17. What do you anticipate would be the most challenging aspect of this job for you, and why?
  3. Describe a past situation in which you had a conflict with a friend or coworker, or an employer or an authority of some kind (teacher, parent, coach). What was the conflict? Who was involved? What did you do? What was the outcome? What did you learn from the situation?
  4. What is the point of summer camp? What is a Summer Camp Educator's role in fulfilling the purpose of summer camp?
  5. Take a look at the [2021 UIL Summer Camp Catalog](#), with themes and descriptions, and describe which of the described content and opportunities seem the most exciting and interesting to you, and why.
- AAHOM & LSNC is committed to the full inclusion of all qualified individuals. If reasonable accommodation is needed to participate in the job application or interview process, to perform essential job functions, and/or to receive other benefits and privileges of employment, please contact Camp Programs Manager at [camp@aahom-lesliesnc.org](mailto:camp@aahom-lesliesnc.org).

### **What is Unity in Learning?**

Unity in Learning is a ground-breaking partnership between [Ann Arbor Hands-On Museum](#), [Leslie Science & Nature Center](#), and [Yankee Air Museum](#) that provides a unique path to hands-on discovery, exploration of the natural world, and experiences that take flight. Camp programs will be held at Leslie Science and Nature Center, 1831 Traver Road Ann Arbor, Michigan 48105.
