# UNITY IN LEARNING

SCOUT PROGRAMS  
2017 - 2018

# SCOUTING

@ ANN ARBOR HANDS-ON MUSEUM

@ YANKEE AIR MUSEUM

The Ann Arbor Hands-On Museum and Yankee Air Museum are great places for Cub, Boy, and Girl Scouts to explore STEM concepts through activities, games and experiments. We offer many hands-on workshops specifically designed to fulfill the requirements for a variety of badges, loops, and pins. During the school year, workshops are generally offered at Yankee Air Museum on the first weekend of each month, and Ann Arbor Hands-On Museum on the third weekend of each month.

## CUB SCOUTS

Belt Loop and NOVA Award requirements are generally designed to happen over the course of three Den meetings. Visits to museums are encouraged in order to enrich the experience. Our Belt Loop programs are not meant to complete the requirements in one whirlwind session but rather to complement your Pack's activities and to motivate and excite your Cubs as they complete their adventures with their Dens and adult leaders.

**TIGER:** Stories in Shapes, Family Stories\*; **WOLF:** Code of the Wolf, Motor Away\*; **BEAR:** Forensics, Make It Move; **WEBELOS:** Adventures in Science, Engineer\*; **NOVA AWARDS:** 123 Go!, Swing!; TechTalk\*

## BOY SCOUTS\*

**MERIT BADGES:** Aviation, Engineering, Photography

## GIRL SCOUTS

**DAISY:** Clover's Story (Use Resources Wisely); **BROWNIES:** Home Scientist, Inventor, Senses, Fling Flyer Design Challenge; **JUNIORS:** Detective, Entertainment Technology; **CADETTE:** Special Agent, Wind Energy

\* ONLY AVAILABLE AT YANKEE AIR MUSEUM

## PRICING

\$15 per scout (and siblings); minimum of 5 scouts (or \$75); this includes admission into the museum and two free adults accompanying the troop. Additional adults are \$8 per person.

**PLEASE NOTE:** Siblings above the age of two years wishing to participate in the workshop must pay the \$15 scout fee. Siblings and adults wishing to visit the museums but not participate in the workshop are subject to the regular museum admission fee.

# SCOUTING

@ LESLIE SCIENCE & NATURE CENTER

Choose a two-hour program or an overnight adventure including hands-on activities, guided hikes, games, and journaling!
