Dressing for the Weather
At LSNC, we’re all about getting people outside and learning!

Check the weather before your visit to know what weather to expect.
- We go outside in RAIN OR SHINE, WIND OR SNOW, and HOT OR COLD;
- Kids and adults should be prepared to hike, explore, and play games outside;
- We spend at least half of our time outside for each program; and
- Inclement weather plans are only instituted for active thunderstorms and extreme cold, wind, or heat.

Below are a few suggestions for different weather conditions that you should be prepared for.

Rain—before or during your program
- Rain boots
- Rain Jacket
- Warm Socks
- Warm Layers
- Extra clothes

Snow and Cold—before or during your program below 45 degrees
- Hat or ear muffs
- Winter coat
- Sweatshirt or turtleneck
- Scarf
- Gloves or mittens
- Long underwear
- Winter boots
- Warm Socks

For Warmer Days
- Tennis shoes or hiking boots
- Water bottle
- Hat or sunglasses
- Comfortable clothes
