

2022 Mayfly at Play + Mayfly: Day of Play Corporate Partnership Benefits & Opportunities

The **Ann Arbor Hands-On Museum** and **Leslie Science & Nature Center** is pleased to present this year's **Mayfly at Play** and **Mayfly: Day of Play Corporate Partnership Package**. For over ten years, we have welcomed members of our community to celebrate the staff, work, and mission of our extraordinary organization at our Mayfly Celebration event. This year, we are thrilled to host **two** events for our community, each combining the celebration our community looks forward to AND raising money for the completion of LSNC's new **Nature Playscape!**

On **Friday, June 3, 6:00pm-8:30pm**, we'll host **Mayfly at Play**. This adults-focused event will feature food and drink, music, and stations where staff will share unique stories about our work and the importance of nature-inspired play.

On **Saturday, June 4, 4:00pm-7:00pm**, we'll host **Mayfly: Day of Play** our event for all ages. Food will be available for purchase and activities for learning and playing will be set up across our site. Additionally, our special guest, **Gemini**, will be on-site to provide musical entertainment.

Your support as a **Mayfly at Play** and **Mayfly: Day of Play Corporate Partner**, helps us to build this incredible community space for our community. Sponsorship will provide visibility at BOTH events as well as in promotional materials which reach over 40,000 individuals. We hope you will consider one of the packages below.

Partner Benefits		Creating* \$7,000	Strengthening* \$5,000	Inspiring* \$2,500	Building* \$1,000
