

LSNC Scout Overnight Overview

Thanks for joining us for your overnight!

After getting to LSNC, you'll be greeted by an educator and introduced to your space for the evening— the DTE Energy House. You will then be led in a 2-hour badge program. Your evening will wrap up with a campfire and yummy s'mores snack, with your educator saying goodnight around 9PM.

At 7AM, an educator will say good morning and get you ready for the day with a fruit and bagel breakfast. Scouts will be asked to help tidy up the space and leave it as clean as they found it. The 2-hour badge program will begin at 8AM and scouts will be ready to say goodbye around 10AM.
